

**RECOMMENDATIONS OF BRIG CANTEEN SERVICES ON STATEMENT OF  
CASE FOR DEVELOPMENT OF WEB APPLICATION FOR CANTEEN DEMAND  
SURVEY**

1. The project, "Development of Web Application for Canteen Demand Survey" for collation of inputs on items recommended by users for introduction in Canteen inventory thereby increasing user satisfaction is **strongly recommended**.
2. There is no financial cost involved as the web application is proposed to be developed in-house and hosted on ADN.
3. It is recommended that sanction be accorded for whitelisting of the application, development and hosting on ADN post vetting of the same by AHCC & ACG.
