14 Oct 2024

DIRECTORATE GENERAL OF MILITARY INTELLIGENCE
MI-17

WHITELISTING OF SOFTWARE

1. Refs:-

- (a) Para 1 (c) of MI-20 letter No A/72023/1/MI-20/(B-3) dt 30 Aug 24 pertaining to Army Cdr's Conf: Oct 2024 (**copy att**).
- (b) DGIS letter No B/05353/Auto/ IT/Info Sys dt 22 Jul 22 wrt Minutes of 19th Steering Automation Committee (SAC) mtg dt 14 Jul 22 (**copy att**).
- (c) DG Sigs letter No B/46845/AI/Sigs 7 (a)/PC dt 16 Jun 23.
- (d) This dte letter No A/62014/Army Cdr/MI-17 dt 27 Sep 2024.

2. The IITs in the IA utilizes diverse series of sw for undertaking their intptn tasks. Detls of these Sws are given at Appx.

3. It is pertinent to note that all these applns have been in use much prior to the implementation of whitelisting policy. Now as per Para 4 (b) of 19th SAC mtg (copy att), any appln being in use at Fmns/ Dtes/ Brs/ Units prior to issue of whitelisting policy can be processed directly for cyber security vetting based on the dply envt (ADN/ LAN/ Standalone), if not done earlier (or validity of cyber security certificate has expired). Hence DGMI/MI-17 intends to revoke this clause to whitelist the applns mentioned at Appx.

4. In view of the aforesaid, it is proposed that the case for whitelisting of sw to be introduced in the forthcoming STE.

5. For your info and necessary action pl.

Vaibhav Joshi)
Lt Col
Offg Col, MI-17

Encls. As above.
