File No. B/80631/JAG

Sheet No: 1

WEBSITE OF JAG'S DEPT ON ARMY PORTAL

-1-

1. PI ref 'IA Website Hosting Policy (ADN/Exclusive LAN/Internet) promulgated vide DG Sigs (Sig 7) letter No. B/46850/IT/Policy/Sig 7(a) dt 09 Oct 2019.
2. A proposal for creating a website of JAG's Dept is advanced on the Army Portal after symbiosis of ADN in the envt. Since the previously created websites was not vetted or whitelisted for being hosted on ADN, the same is not active anymore.
3. Websites in IA help in timely dissemination of info of nature useful to all Army users. Presently, there is no website in r/o JAG's Dept on Army Portal and the link on JAG's Dept nomenclature under AG's Br is inactive. This causes a hindrance in the dissemination of information pertaining to the dept and legal development in IA. Various Dtes and HQs in the chain are seldom aware about various legal issues unless informed via paper mail. This issue can be simplified by creating/ re-activating the website of JAG's Dept and hosting the same on Army Portal through ADN.
4. The website will be created and developed in accordance to policy on IA website mentioned under ref at Para (1). The JAG's Dept website will have no classified info hosted on it. It will be monitored and maintained by the constitution of Project Development and Mgt Group (PDMG) which will primarily be resp for the creation and upkeep of content of website. The composition of PDMG will be as under :-
 - (i) PDMG Mgr- Offr nominated by Dte
 - (ii) PDMG Technical Administrator 1
 - (iii) PDMG Technical Administrator 2
5. Financial effect shall be worked out after obtaining In-principle approval, please.
6. Submitted for In Principle approval, please.
