Jai Hind,

Pl refer to telephonic discussion with Brig SP Singh and undersigned.

2. The development of e-NAR project is completed and necessary process for ACG vetting and DGIS whitelisting can be commenced.

3. Since, the application has been developed under the MoU between Indian Army and BISAG-N, there shall be no cost implications to the sponsor directorate.

4. This has been communicated after taking approval from DG BISAG-N.

Thanks & Regards,
Miren Karamta
Director
Bhaskaracharya National Institute for
Space Applications and Geo-informatics (BISAG-N)
Ministry of Electronics and Information Technology (MeitY)
Government of India
